

PUBLIC NOTICE

On July 1st, 2023, the fuel surcharge on the QNS&L Railway will be 37% instead of the current 51% reflecting the latest changes in the cost of fuel.

The current tariff rates will remain the same and will be reviewed at a later date.

Fuel surcharges on the QNS&L Railway apply to all freight transport, including interline transport.

QNS&L tariff document no. F. 100-BC – Fuel surcharge where this change is reflected can be found on the following web site, under the tariffs section:
